

## **CONCESSIONS MANAGERS/BARTENDERS (Part-Time)**

### **ABOUT DOBAMA THEATRE:**

Founded in 1959, Dobama Theatre has worked consistently to produce plays of consequence with a company of professional theatre artists. Dobama's mission is to premiere the best contemporary plays by established and emerging playwrights in professional productions of the highest quality. Through educational and outreach programming, Dobama Theatre nurtures the development of theatre artists and builds new audiences for the arts while provoking an examination of our contemporary world.

For its first 10 years of performances, Dobama Theatre used various spaces in the Cleveland area to support its work. From 1968 to 2008, it was located on Coventry Road in Cleveland Heights. In 2009, Dobama Theatre relocated and inaugurated a new permanent location at the Cleveland Heights-University Heights Public Library.

Dobama is the home of the Marilyn Bianchi Kids' Playwriting Festival (MBKPF), the oldest young playwrights' festival in the United States and The Dobama Emerging Actors Program (DEAP), a summer acting intensive which is process-centered and technique-based for the serious acting student.

In March of 2014, Dobama became an Equity Theatre (Small Professional Theatre - Tier 2). Dobama is the region's third full time Equity Theatre, and its only full time Small Professional Theatre. Now entering its 59th season, Dobama Theatre continues to live up to its founders' vision to be a leader in innovative, provocative theatre of high artistic quality in Cleveland Heights, the City of Cleveland and surrounding areas.
